

What collaborative tools do I use for my work?

SELF-EVALUATION TASK

Zuzana Krejčová, EPMA

Self-evaluation

This unit is a self-evaluation of your way of digital collaboration in your organisation, with other colleagues, and also during your lessons.

What tools do you use for your work?

Try to think about the digital tools you usually use for your work:

- a) while collaborating with your colleagues or within your organisation;
- b) while working with your students.

Pros and cons and functionalities

You have already identified the tools of digital collaboration you use.

Now, evaluate please these tools concerning their:

- a) Functionalities;
- b) Advantages;
- c) Disadvantages.

You are not expected to write any feedback within this unit, this unit is warming you up for the following units about the digital collaboration.
